

FOR IMMEDIATE RELEASE
April 25, 2023

COUNTY ROAD 115 (OJIBWA AND NASHWAY ROADS)

Crow Wing County has entered into a contract with Borden Excavating for the reconstruction of CR 115. The project consists of storm sewer, curb & gutter, and roadway reconstruction.

Utility relocations have been on-going this spring. The road construction is scheduled to begin on Wednesday, May 3rd. Starting on that date, CR 115 will be closed to through traffic and a detour will be in place. The contractor will begin operations near the public boat landing on Ojibwa Road and proceed east. The work zone locations will be impassable during the day. Each night the contractor will leave the road passable for local traffic. The overall schedule is subject to variability based upon weather and other factors. Please use caution when traveling near the construction zone.

The County will post construction updates on Facebook, Twitter, and the highway department website at <https://www.crowwing.us/149/Current-Projects>.

Get CR 115 road construction updates by text, phone or email. Sign up for Crow Wing County ALERT at: www.crowwing.gov/
